2015 Youth Waterfowl Hunt held Saturday had the largest turnout ever, with 11 participants. All but 1 youth got a shot with 3 kids getting a duck, even with the difficult shots as the high winds really had the ducks moving fast.. The limiting factor was the number of blinds. Food was available before and after the hunt. Thanks to the great volunteers who stepped forward to make this event possible and a memory of a lifetime for the kids.

2015 Youth Pheasant Hunt was held Sunday with 16 youths participating. The dogs made 46 nice flushes and the kids bagged 24 pheasants for the day. Food was provided at both hunts. 37 hunting opportunities were provided over the two days. This was a significant increase in youth participants over previous years.

Working with youth on these hunts is a memorable experience for the volunteers. The look on the face of a youth who takes a bird and their pride is only possible through the gift of time by the volunteers. Volunteering provides a reward that can not be equaled.

Special thanks to those who helped before and during the hunts. **Bill Thomas, Jake Doust, Chris Sorensen, Ralph Burnstine, Frank Wheeler, Tony Tyson, Brad Kehn, Gene Keckler, John Lesniewicz, Joey Mehalic, "JR" Herman Cardel, Dennis Peto, and Catawba Sporting Goods.** Will Sorensen, age 11, and Rob Sorensen, age 15, set an example for volunteers by helping set out decoys for other youth.

TEACHERS CONCEALED CARRY CLASSES: Terry Rudes will be allowing teachers to attend the regular concealed carry classes for \$15.00, instead of conducting separate classes. If you know a teacher who would like to learn gun safety and qualify for a concealed handgun license, tell them to contact Terry at trudes@cros.net.
