HELP!!! -The grass at the Gordon Road clubhouse needs cutting, if you are interested in volunteering contact **Scotty at 419-494-4595**

NEWS FROM THE DARR -

1. The Darr Wetlands dikes on the northern Hellmann's Hollow property have been completed. PLEASE DO NOT DRIVE ON ANY OF THE DIKES. The soil is soft and any vehicle traffic will cause deep ruts. Seeding of the dikes is planned to be completed as soon as seeding equipment can be used without damaging the dikes.

2. **DARR WETLAND VOLUNTEER HELP IS NEEDED.** Hunters using the Darr Wetland prairie grassed areas have requested that the prairie grasses be shortened to allow for more ease and convenience of pheasant hunting. If you want the grasses to be cut shorter, your volunteer help is needed.

If you will volunteer your assistance, call **Dan Pittman** at **(419) 862-2759** to schedule when you can help. At the advice of the Ohio wildlife office, annual grass cutting at the Darr Wetland property does not start after *July 15* when all birds, fowl and upland game species have completed nesting and their young are mature enough to avoid the grass chopper. Similarly, as a reminder, neither dog training nor other disruptive activities are permitted on the property until after July 15 and then only after scheduling with the Darr Committee Chairperson. Until then, most work days, which follow at 8:30 AM on Saturdays following Spring and Summer monthly meetings, needs your volunteer help around the barn to cut grass, trim, clean up, and other maintenance on the 400+ acres of property. Thanks in advance for your volunteer help.
