PRESIDENT'S NOTES: An electrical problem wiped out the security cameras. Repairs have been made and they are up and running. There was also an electrical problem with the FOB system that prevented programming new FOBS. That also has been resolved after too long a period. The losses were not covered by the club's insurance.

The committee chairs for 2019 were approved by the trustees. Marilyn Behm has agreed to fill in for Secretary John Scharding when he can not attend meetings.

The Buckeye Coon Hunters received permission to use the clubhouse on June 22 for a state event for their association.

The Veterans Hunt at the Darr netted 3 geese being harvested. Bad weather continued to plague the event.

The Annual Gun Show and Swap Meet to April 28, 2019, as the January 20th venue was cancelled due to snow and Level 3 conditions. Plan on attending.

MEETING NOTES: Trustees and Membership.

Welcome New Members Mike Laibe and Loretta Hughes. Remember to attend the FOB class, see sidebar.

Volunteer Time: This is the time of the year that we can get work done at the club and the Darr. Workers are needed at the Darr on the Saturday work parties on the Saturdays following the monthly business meetings. Workers can qualify for a special hunt. If you want a first class club, it is your club, make it that way. Pitch in and help.
