John Fowler how much of the insurance was budgeted in for 2025. Terry Rudes replied it was covered with block funding. John Fowler then asked are the Trustees & Officer able to exceed \$1,000.00 without going to the membership? Terry Rudes replied Block Funding allows it to be used as needed. A committee can spend up to \$5,000.00 before being required to get Trustee & Officers approval. John Fowler asker will the remaining balance be enough to cover the \$7,000.00 or not? Terry replied yes but it will be close.

John Fowler did we contact Lockton Infinity insurance? Terry Rudes said yes. The NRA has benefits if we are 100% NRA but doubts if we could get all the membership to join the NRA.

Steve Hutton asked is the insurance policy for bldg. & equipment, do we have replacement cost of equipment or cash value. Terry Rudes said he will check. Steve then asked any insurance coverage for coaches or members? Don Hunter said that our previous insurance did but do not know about the new policy. Terry Rudes said acting on behalf of the company then you are covered, non-OHCC business you're not covered.

Keith Kralik asked if the Constitution & Bylaws allows the President to suspend. Terry Rudes replied Robert Rules of Order allows the President powers to suspend, removal is up to the Trustees & Officers. Keith Kralik asked was the number of days for suspension an arbitrary number. Terry replied yes it was. Don Hunter asked what is the appeal process Terry Rudes said that it's in the suspension.
