Monthly newsletter: Greetings looking to provide OHCC members a calendar of events a little further out for you to see what is going on at the club to better plan your activities. Also contact information with events will be included as much as possible. Sometimes contacting someone with a question or two encourages me to participate and may do so for you.

A Draft of the recent Trustee & Officers minutes is attached so members can be up to date as possible. The minutes are not approved until the following meeting, so the attached is actually a draft and the final minutes will be posted on Oak Harbor Conservation Club website <https://ohcc.us/>

Memorial weekend is a time to remember those who made the ultimate sacrifice for our country. Thanks to all the Veterans who served our great Nation. I hope everyone was able to enjoy time with family & friends this past weekend and that you have great summer.

President's Corner: The Oak Harbor Conservation Club would like to thank all of the volunteers who help support our club. Without your time and dedication, the club would not succeed.

We are currently looking for volunteers to help mow the Gordon Road facility. Mowing takes approximately 3.5 hours to complete.

If you are interested in helping the club, please call 419-707-4420.

Thank you for supporting the Oak Harbor Conservation Club!
