

Darr May 2026 Report

- USFW Burns
 - No further activity completed so far, still hopeful.
- Equipment Updates.
 - Top Priorities at this point are:
 - Ford New Holland Radiator completion.
 - John Deere completion.
 - Batwing completion.
 - South Side Pump pulled and is in the barn for maintenance.
 - Gearbox issue, frame and Carb float. (parts are in house)
 - Backhoe Brakes need evaluated and repaired if additional adjustment not possible.
 - Dozer is in the barn and we can start on the drive system
- Barn & Building Updates
 - Clean up work needs to continue.
- Weekly Saturday and Sunday work parties will be held most weekends now thru the season,
 - Priority this week is:
 - Area cleanup in barn (Table of misfits)
 - Annual equipment maintenance and check list verifications
- Thanks to all that have helped out....
