

Darr Jun 2026 Report

- Meeting opened with run through the Agenda to update status of items as selected.
 -
- USFW Burns.
 - Not likely to get any more burns completed this season so we will need to start getting on the mowing.
- Equipment Updates.
 - Top Priorities at this point remain:
 - Batwing New Clutch Assembly and U-Joint installation, sheet metal and paint.
 - Backhoe Brakes need evaluated and repaired if additional adjustment not possible.
 - Dozer is in the barn and we can start on the drive system
- Barn & Building Updates
 - Clean up work needs to continue.
- Weekly Saturday and Sunday work parties will continue thru the season.
 - If there is not a coordinator on site on a day you show up, please work on normal clean-up or lawn maintenance items or call a coordinator in an area you would like to work on and get direction.
 - Coordinators list is posted in both barns.
 - Priority this week is:
 - Area cleanup in barn (Table of misfits)
 - Area cleanup outside barns and along woods north of barn.
 - Equipment repairs noted above.
- FNRA Banquet update from Don
- Requested that thought be put into long term Goals/Plans and Fundraisers and present those ideas.
- Broke to: Open Quorum and discussions about the month's events, information was provided by T/O, about history and reasons for actions that were taken.
 - Path forward discussions, and emphasis on bringing the Club together and trying to start eliminating the us vs them mentality.
 - The club needs to start to focus on what is best for the club as a whole.
 - Several people volunteered to help out at Gordon Rd Property with maintenance items if needed and
 - It was noted that we need to get better at involving other members at the Darr property even if they do not wish to hunt. There are activities and events that are not conveyed to the General Membership and there is probably members that may be interested if they knew about them.
- Gun Raffle Winner was Garret Anderson with ticket number # 0089 Sold By Kevin Jacobs
- Proceeds of the raffle were \$500
- Waterfowl Blind repairs, replacements, underway and partially complete.
- Food Plot planning and implementation is underway and some completed, these items were discussed in detail following the meeting at the Darr.
